K. VETRI SELVAN

Java Full Stack Developer

Thanjavur, Tamil Nadu • 9360632795 • k.vetriselvan04@gmail.com

LinkedIn | Portfolio | GitHub

PROFESSIONAL SUMMARY

Motivated Java Full Stack Developer and B.E. Electronics and Communication Engineering graduate with a strong foundation in Core Java, Object-Oriented Programming (OOP), Data Structures, and Exception Handling. Hands-on experience in developing responsive web applications using Java, Spring Boot, JSP, JDBC, Servlets, HTML, CSS, JavaScript, and Bootstrap. Proficient in database management using MySQL and PostgreSQL, with practical knowledge of Maven, Apache Tomcat, Git, and GitHub. Completed a six-month Software Development Internship at Appscore Solutions and developed projects including a Resume Builder and Tourism Package Management System. Strong problem-solving, debugging, teamwork, and continuous-learning skills, seeking an entry-level Java Full Stack Developer role to contribute to scalable and reliable software applications.

TECHNICAL SKILLS
