K. VETRI SELVAN

Java Full Stack Developer

Thanjavur, Tamil Nadu • 9360632795 • k.vetriselvan04@gmail.com
LinkedIn | Portfolio | GitHub

PROFESSIONAL SUMMARY

Engineering graduate with a strong foundation in Core Java and hands-on experience building full-stack web applications using JSP, JDBC, and MySQL. Skilled in designing responsive front-end interfaces with HTML, CSS, and Bootstrap, with practical exposure to Maven and Apache Tomcat through academic and personal projects. Fast learner with a solid problem-solving mindset, seeking to bring these skills to a full stack developer role in the aerospace/technology sector.

TECHNICAL SKILLS

Core / Programming: Java (OOPs, Collections, Exception Handling)
Web Technologies: HTML, CSS, Bootstrap, JavaScript
Backend :JSP, JDBC, Servlets, Hibernate, Spring, SpringBoot
Database: MySQL, PostgreSQL
Build & Server Tools: Maven, Apache Tomcat
Development Tools: VS Code, NetBeans, Eclipse, Git, GitHub, Dockers

PROJECTS

Tourism Package Management | Web-Based Booking Application (JSP)

- Developed a web-based tourism booking system using Java and JSP with full CRUD functionality.
- Designed a clean, responsive front end using HTML, CSS, and Bootstrap.
- Integrated MySQL for data storage and deployed the application on Apache Tomcat using Maven.

Technologies: Java, JSP, HTML, CSS, Bootstrap, MySQL, Maven, Apache Tomcat

Cloudrtech Company Website | Company Website Development

- Contributed to the development of the Cloudrtech company website with a focus on layout and presentation.
- Built a responsive, professionally structured interface using HTML, CSS, Bootstrap, and JavaScript.

Technologies: HTML, CSS, JavaScript, Bootstrap

Yogalahari & Nadhalahari | Multi-Page Responsive Websites

- Designed and developed multi-page, themed websites with modern, aesthetic user interfaces.
- Implemented interactive elements, animations, and transitions with responsive navigation.

Technologies: HTML, CSS, JavaScript, Bootstrap

Resume Builder for TesDB Academy | Resume Generation Application

- Developed a resume builder interface that allows users to enter personal and professional details and preview a formatted resume.
- Created responsive form layouts and styling to support a user-friendly resume creation workflow.

Technologies: HTML, CSS, JavaScript, Bootstrap, PostgreSQL , SpringBoot

INTERNSHIP EXPERIENCE

Appscore Solutions | Software Development Internship *6 Months*

- Contributed to software development tasks and supported the implementation of application features.
- Collaborated with the development team to test, debug, and improve application functionality.

Codebind Technologies | Software Development Internship *6 Days*

- Gained practical exposure to software development and real-world IT workflows.
- Improved understanding of software development practices and problem-solving approaches.

Welltech Control Systems | Industrial Automation Internship *6 Days*

- Gained exposure to industrial control systems and basic automation concepts.
- Observed industrial processes and technical operations in a real-world environment.

EDUCATION

Bachelor of Engineering – Electronics and Communication Engineering | Dhanalakshmi Srinivasan College of Engineering, Coimbatore *2022 – 2026* CGPA: 8.0

CERTIFICATIONS

- Java Full Stack Certification
- Intern at Appscore Solutions
- IoT and Embedded Systems Certification
- Hackathon Participation Certification
